## Questions 34~36

It is not only the belief that tarot cards can be used to read the future that makes them mysterious, but also that we don't know where they came from. Historical records tell us that the tarot cards were first used in Italy during the late fifteenth century to play a game called triumphs. Others say that the cards are much older than that and originated in Egypt. It is also believed that the tarot comes from the tribes of gypsies that used to wander Europe. Either way, this makes them mysterious whether you believe in their powers or not.

34. What is one thing that makes tarot cards mysterious?
  - A. their colors
  - B. not knowing where they come from
  - C. their different sizes
  - D. that they come from Italy
35. What do historical records tell us tarot cards were used for in Italy?
  - A. to read the future
  - B. to play a game.
  - C. to understand the past
  - D. to know the secret of Egypt
36. According to historical records, where were tarot cards first used?
  - A. in Egypt
  - B. in Italy
  - C. in Spain
  - D. in France
